SERIES OF WEBINARS ON
AFRICAN SWINE FEVER (ASF): PREPARING FOR ASF
RISK ANALYSIS II – PRACTICAL TOOLS

This series dedicated to risk analysis will consist of four webinars. Although the webinars are independent of each other, we recommend attending all of them to gain a comprehensive understanding of how to perform risk analysis, become familiar with the specific risk analysis tools, and learn about the outcome of recent risk analyses.

Dates	Topics
9 November	Foundations of Risk Analysis
16 November	Practical Tools for Risk Prevention
30 November	Risk Management at the Farm Level
7 December	Results of ASF Risk Analysis for Latin America and the Caribbean
